

# Title 1

Justification for LearnOnDemand Poster Maker

The perfect tool to  
**INSTRUCT, INFORM and INSPIRE™**  
your students

## Title 1 Part A

Communicate, reinforce and support objectives	Display common core standards for math and reading in the classroom
Recognize group and individual achievements	Create posters to keep students up to date on attainment of specific educational goals in each classroom
Communicate learning strategies in the classroom	Use common core standard posters to reinforce specific objectives
Differentiated instruction	Create direction and activities posters to communicate in both English and Spanish
Comprehension of both similarities and differences	Use large posters of graphic organizers to demonstrate objectives

## Title 1 Part B

Improvement of reading skills	Create classroom word walls
Understanding	Create posters of the letters of the alphabet and phonics
Encourage reading	Create posters of book covers and suggested reading for students

## Title 1 Part F

School objectives	Create posters to clearly communicate school academic objectives to students and faculty
Recognition	Create posters to recognize individual student, group, and school wide accomplishment of objectives as a community
Parental involvement	Create posters encouraging parents to become involved with their student's education
